

REPORT OF REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM

To the Board of Directors of
Thornhill Securities, Inc.:

We have audited the accompanying statement of financial condition of Thornhill Securities, Inc. (the "Company") as of December 31, 2015, and the related statements of operations, changes in shareholders' equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

The Computation of Net Capital and Aggregate Indebtedness Pursuant to Rule 15c3-1 of the Securities and Exchange Commission as required under Rule 17a-5(e)(4)(i) of the Securities and Exchange Commission (collectively the "Supplemental Schedule") have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Schedule is the responsibility of the Company's management. Our audit procedures included determining whether the Supplemental Schedule reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Schedule. In forming our opinion on the Supplemental Schedule, we evaluated whether it, including its form and content, are presented in conformity with Rule 15c3-1 of the Securities and Exchange Commission. In our opinion, the Supplemental Schedule is fairly stated, in all material respects, in relation to the financial statements as a whole.
